**MEET THE TEAM**

Some of you may have seen working in the nursery we have:

- Rebecca – (Manager) – I will be responsible for the day to day running of the nursery and your main point of call regarding your children.
- Fatin/Cherie/Charlotte/Ilona/Hasi- we are responsible for the day to day care of your children and ensuring we provide a warm and stimulating environment for all.

# Welcome

Hi we would just like to say a welcome to everyone and how grateful we are for all your enquiries.

No news from OFSTED yet but I will keep you updated on when we are opening. Hopefully this will be soon, so we can get your little ones enrolled into nursery and get them stuck into all aspects of our fun filled curriculum that we have worked very hard to plan.

## Hello

I would just like to introduce myself to you all.

I am Rebecca the nursery manager I have worked in early years for over 10

years and have been in management for 8 years.

I have a foundation degree in early years and am always on the lookout for my next educational move. In my spare time I enjoy reading books, completing jigsaws, meeting up with family and friends.

## Don't forget

The ladies wellbeing and mental health group is on Wednesday 11-1

No need to book just turn up.

### **My Top Tips for Settling In:**

#### **1. Communication is Key**

Voice your concerns and don't be afraid to ask questions – we are there and happy to answer any questions and queries you might have.

#### **2. Be Reasonable with Your Expectations**

It's never going to be perfect, but with good communication, the help of an experienced nursery team, you can create a smooth transition together.

#### **3. Be Strong and Be Prepared for Tears**

Children often get upset, especially to start with, but that isn't necessarily a sign that something is wrong – it's more likely their way of communicating that they don't want you to leave, but they do soon begin to bond with the staff and will be running into the building in no time!

#### **4. Have Trust**

Nursery staff have been through this transition many times. They know what they're doing, and they want you and your child to succeed - listen to our advice and work with us to find what works for your little one.

#### **5. Go With Your Gut & Keep Smiling!**

Your child will pick up on your emotions, so if you appear happy and calm this will help to reassure them. Difficult as it may be, remember that you've chosen the nursery knowing that it will help to broaden your little one's exposure to new experiences and skills, which in turn, will have a positive impact on their overall wellbeing and development.

#### **6. Talk About Your Child's Interests**

Give us as much information as you can about your child, including their likes and dislikes so they can have their favourite toys out to help make them feel happy and comfortable. If they have a comforter or a special toy, bring it with them.
